

Hello All Volunteers

Please find below a summary of all allocated jobs for Race day. Your marshal position and/or Farm Job can be found on the following tables.

There will be a marshal briefing on Tuesday Oct 2nd at 8:30pm to cover logistics, traffic management, safety and communications.

This is also a great time for anyone with questions to come and get some answers, so whether you are marshalling or down on the Farm please do come along.

There will be a further opportunity to hear the same info on Thursday 4<sup>th</sup> Oct at 8:30pm.

The Marshal briefing on the day will be at 8am in the small gravel carpark near the entrance to Standalone farm, here you will group with your Zone Leader, put on marshal bibs, get any last minute questions sorted and then head out to your stations.

If anyone is unhappy/worried about their marshal position/job then please email me on [chiefmarshall@uwclub.net](mailto:chiefmarshall@uwclub.net)

It is possible that there maybe a few tweaks/changes prior to the big day, but you will be notified if this concerns you.
